

# Burke Family Funeral Homes

Wellesley Hills      West Newton

There are some important pieces of information you will need to provide upon meeting with your funeral director. Statistical information such as date of birth, social security number, occupation, etc. will be used to complete the certificate of death, which is a legal document that becomes a matter of public record. We hope this form will be useful in gathering your information.

| VITAL STATISTICS                                      |                    |   |
